CONTI COMFORT KIT

Continental Tyres have recently launched the ContiComfortKit. It's proving so successful that many manufacturers are installing them in new cars in place of the spare tyre. The gadget acts as a temporary fix for punctures by pumping a sealant inside and requires no mechanical knowledge to use. It's quick, taking 7 minutes to patch up a puncture, it's convenient and it's clean. The pump can be used to pump other tyres, ball and air mattresses up. Once used it buys the driver 125 miles to get to a garage (or straight to that meeting). **Conti Comfort Kit £59.99** From leading tyre retailers

1 PRIZE TO WIN

DRAGON RACING

Appealing to Dragon James Caan, the creators of Motormouse secured £120,000 from Dragon's Den. A must-have for any car enthusiast, Motormouse is an exquisitely engineered optical wireless mouse based on an iconic sports car. It features outstanding detail, including the smallest 2.4G wireless receiver in the world with 3 different sensitivity settings, a high quality paint finish available in black, silver and metallic red, chrome alloy wheels and real rubber tyres. **Motormouse £29.99** www.motor-mouse.net

1 PRIZE TO WIN

GREAT SCOTT!

The gravity bike rack securely holds 2 bikes in restricted floor space and is entirely freestanding for easy setup. An optional mounting bolt is provided for wall attachment. The stand has a tubular steel construction with a durable epoxy finish designed to endure years of heavy use, and a vinyl coating finish protects bikes and floors from scuffing. Weighing just 20 pounds, it is easy to move to different locations. **Scott Brothers £79.99** 01477 539 500 www.scottmail.co.uk

1 PRIZE TO WIN

DOCK 'TIL YOU DROP

The DKAP7 series iPod docking stations produce an exceptional sound that will satisfy even the most discerning music lover. The powerful 2.1 channel speaker system means acoustics are clear and precise while the integrated subwoofer with HDSS technology maximises bass response and minimises distortion. The DKAP7 series docking stations make portability easy. Its protective travel case, compact design and ability to run on AC or battery power allows customers to take music from room to room, or even outside to create the perfect atmosphere for those long winter nights. With a glossy black casing and a choice of silver, white or red dock, the DKAP7 series caters for every taste. **£69.99 0800 262 958** www.sharp.co.uk
